## EXPERIENCE

**Invoice Analyst and Systems Lead**

**Starr Companies**

**2017-2022**

**New York, NY**

Managed over one billion dollars of annual invoicing and prepared documents for audits:

- Deep system knowledge of all accounts receivable processes providing root cause analysis to discrepancies.
- Worked with contracted developers on system upgrades and provided feedback from the user acceptance testing environment.
- Wrote extensive macros using Visual Basic for Applications saving hours of time.

**Epic Software**

**2015-2016**

**Accounting Assistant**

**Madison, WI**

Handled billing, account milestones and customer support for 7 major US hospitals.

Key Accomplishments:

- Used SQL Database to pull time tracking during deployment windows.
- Translated service milestones into a systematic approach to monitor billing.
- Lead work group investigating missing charges for custom APIs written for customers .

## **EDUCATION**

**Certificate in Full Stack Web Development**

University of Connecticut

**Storrs , CT**
